

Pale Blue Dot® Recruitment Limited

### **Values Statement**

At the heart of how we operate our business are our core values. These beliefs shape the way in which we conduct business and best serve our customers.

Our business culture is shaped through:

#### **Unity**

*A team of all:* Trust and respect for all individuals is at the forefront of our organisation so we can succeed as a team.

We value the wellbeing of our employees and building supportive, quality relationships in the workplace.

#### **Integrity**

We are committed to honest and ethical principles and act as a positive role model by doing what we know is open, just and fair.

We acknowledge the responsibility of maintaining confidentiality and protecting the interests of our organisation, our clients and our candidates at all times.

#### **Passion**

We are passionate about our work and our desire to exceed customer expectations through our entrepreneurial spirit.

We recognize the importance of maintaining lasting relationships with our customers, service providers and business partners.

#### **Learning & Empowerment**

We are a learning organisation and nurture continuous improvement, personal development and work autonomy.
